

## 4 Lire les minutes

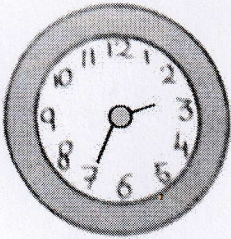

It's ten past seven

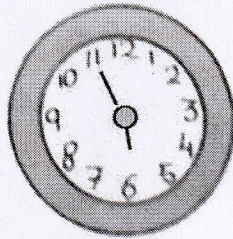

It's twenty past eight

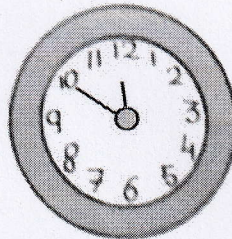

It's five past ten

It's twenty-five to three

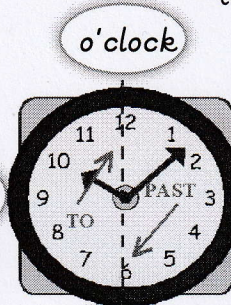

It's five to six

It's ten to twelve

Pour lire l'heure en anglais on lit d'abord les minutes et puis les heures. On insère le mot past entre les deux nombres jusqu'à la demi-heure (de 0 à 30) et to pour les minutes de 30 à 60.

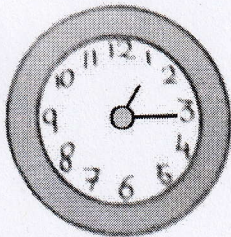

quarter to
